Director's Report

Stephanie has reported how well the Programs and Story Hour and classes are doing. Some of the events taking place are Korean Book Club, Crochet Class, Candle Making Workshop, Painting, jewelry making and more for adults. Children are able to enjoy Fun with Science, Birds in a nest, Lego Club and Hello Friends Story Time.

Stephanie presented a furniture Proposal to use Creative Library Concepts as we have used them before. Stephanie feels the children's section in particular is ever growing and needs additional space to meet the needs of our patrons and their children. There was discussion about this future project but no decision was reached at this meeting as to if or when these projects would be able to move forward.

Old Business

None

New Business

None

Joe Ferguson made a motion to adjourn at 7:31; 2nd; MTansey; all in favor; so moved.
